It is our great pleasure to invite you to **the Third World Congress for Plastic Surgeons of Chinese Descent**, which will be held in Xian, China on October 12-14, 2012. On behalf of the scientific program committee, we are very happy to inform you that your abstract **Skills of the Artists at the Service of the Plastic Surgeons** is accepted for oral presentation. The abstract presentation session is on October 13, 2:30-5:30 pm.

Each speaker will be allowed 6 minutes for abstract presentation followed by a 2 minutes discussion. You may use either **English** or **Mandarin Chinese** for your oral presentation; however, the PowerPoint of your presentation should be in **English**. There will be simultaneous translation from English to Chinese or from Chinese to English in order to facilitate presentation and discussion.

Xian is becoming a modern city but still with rich history and many tourist attractions such as Terra Cotta Warriors. We are confident that you would enjoy your visit to the city and participation in the excellent scientific and social programs of the congress. Please visit the meeting's website ([www.2012wapscd.org](http://www.2012wapscd.org)) for more information.

We look forward to welcoming and meeting you in Xian.

Sincerely,

Wei Xia
